**REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT (PTA) STATED  
IN THE DECISION ON REQUEST FOR RECALCULATION OF PTA IN VIEW OF WYETH...**

Commissioner for Patents  
Alexandria, VA 22313-1450

Dear Sir:

Applicants respectfully request the office reconsider its determination of the PTA. Applicants in the most part agree with the Office's calculation. However, Applicants respectfully dispute the reduction of the PTA by 119 days due to the Comments on Notice of Allowability filed by Applicants on August 5, 2009, to correct typographical errors in the Notice of Allowance (i.e., in the Examiner's Amendment included therewith). Such comments are not considered by the Office as a failure to engage in reasonable efforts to conclude prosecution per MPEP § 2732, page 2700-21, left column ("(6) a response to the examiner's reasons for allowance or a request to correct an error or omission in the "Notice of Allowance" or "Notice of Allowability;"). Therefore, Applicants respectfully submit that the PTA should be 957 days (which equals 838 plus 119 days). Applicants respectfully request the Office correct the PTA to be 957 days in the Certificate of Correction that the Office has stated that it intends to issue for the above-referenced issued patent.

In re JOHN J. WILLIAMS, JR. ET AL., US Patent 7,627,573  
Request For Reinstatement Of Reduced PTA

The following is presented in list format to supplement the previous discussion. The Decision on Request for Recalculation of PTA in View of Wyeth... states that Applicants should include in this request the information required by 37 CFR 1.705(b)(2) and the fee required by 37 CFR 1.18(3).

(1) Applicants have paid the fee required by 37 CFR 1.18(3) via EFS-Web contemporaneously with the submission of this paper.

(2) Applicants believe the correct PTA is at least 957 days, and request the Office correct the determined PTA.

- a) Applicants do not dispute the Office's determination of the PTA of 410 and 680 days due to Office delays as shown in PAIR.
- b) Applicants do not dispute the Office's determination of reduction of the PTA by 133 days (i.e.,  $61+27+30+15$ ) as shown in PAIR.
- c) Therefore, Applicants submit that the PTA delay should be  $410+680-133 = 957$ .
- d) Applicants respectfully dispute the reduction of PTA by 119 days due to the submission to correct errors in the Notice of Allowance, which is shown next to the PAIR entry: 08-05-2009 - Miscellaneous Incoming Letter.
- e) Finally for completeness, Applicants further request, if any, additional PTA accrued pursuant to § 1.702(a)(4) and/or 1.702(b), or any other source.

Additionally, Applicants are including on the following three pages of this submission:

1. a marked-up copy of the PTA printout from PAIR, which may help the Office understand Applicants' request presented herein; and
2. a copy of the paper filed on 08-05-2009 (downloaded from PAIR) illustrating that its subject matter should not reduce PTA.

Commissioner for Patents

Dear Sir:

In response to the Notice of Allowance and Fee(s) Due mailed July 24, 2009, there are three errors in the Examiner's amendments, as discussed hereinafter. Note, Applicants confirmed that these were in fact errors with Examiner Hicks in a brief telephone conversation on Aug. 5, 2009.

1. On page 2, the second paragraph labeled "a)": Instead of "In Line 10 of Claim 1", the amendment should be "In Line 1 of Claim 8".
2. On page 2, the paragraph labeled "c)" amending line 1 of Claim 8 should be deleted, as to which no such amendment was agreed, and the amendment doesn't make sense for claim 8. It appears to be a cut & paste typographical error.
3. On page 4, the paragraph labeled "p)" should amend line 3, not line 103.
